## Volleyball

Volleyball in our school is played between the soccer and the basketball seasons. Although it is a highly skilled sport, it can be reduced to a two week activity or extended over a longer period. The game itself is important because of its promotion of teamwork. A successful team does not work as six individuals, but rather as one co-ordinated unit.

The senior team this year was victorious in over half of their games. Such players as Bob Callow, Jim Fox, Bob Duff, Joe Speed and Delbert Marlatt, having had a great deal of experience, were the backbone of the senior team.

The junior team, which was not quite as successful, had very few experienced players. Dave Cannon proved to be their star. However, nearly all of this team will be intact next year so that they should have the nucleus of a good team.

### Senior Volleyball

First Row -- Delbert Marlatt, Joe Speed, John Malolepszy. Second Row -- Jim Fox, Bob Callow, Jack Ford. Third Row -- Jim Smith, Bob Duff, Gary Veenman, Jim Shillington, Brent Paine.
